

# Perceptive Recruiting

*Insightful. Connected. Respected.*

## Our Technologies

We use technology to leverage our expertise in identifying both skilled and culturally compatible professionals for our clients.

Our **Candidate Qualification Package** provides a professional assessment, the candidate's resume, and **video interview** footage which allows managers to quickly identify the right candidate. By sending the top candidates within 5 business days, time to fill jobs is significantly reduced.

***We recruit on technology jobs every hiring manager needs, while partnering as an extension of their HR department.***
